### ***Pastor's Message***

**“Because you never know what's going to happen next.”**

A survey was made among school children asking the question why they enjoyed reading Harry Potter novels and watching Harry Potter movies. The most common answer was “Because you never know what's going to happen next.” This sense of suspense and surprise prompted us to watch the seven episodes of the *Star War* movies. The same desire for epiphany with the thrill and suspense awaiting them prompted adults to watch James Bond films and encouraged the great explorers like Marco Polo and Christopher Columbus to make risky and adventurous journeys. It is the same curiosity which led the Magi to follow the star of Bethlehem. An element of suspense marked every moment in the journey of the Magi, who never knew what road the Spirit of God was going to take them down next. Today's readings invite us to have the same curiosity as explorers and movie fans do, so that we may discover the “epiphany” or manifestation or self-revelation of our God in everyone and every event, everywhere. **Fr. John**
